The Tortures Of Ellis

Tortures of Ellis

Did you ever think that when you entered high school you'd be doing such activities as: the "Bear-Crab Walk," the" Dying Cockroach," the "Handstand," or the "Iron Chair"? Well, in Room 203, after school, you will sometimes see physical science, chemistry, and physics sports-affiliated students participating in one of these activities instead of a detention or whacks.

The origin of these particular activities came from the West Point Military Academy. These corporal punishment acts are used to remind students to "maintain their composure" in Mr. Ellis' laboratory.

On the right Juniors B.J. Foxwell and Eric Littleton demonstrate the "iron chair" and the "dying cockroach"-two of the "tortures of Ellis."

¡Hola! That means hello where I live in Madrid, Spain. My name is Ana Zafra, and I am your school's exchange student. I was born on a hot day in Spain on August 6th, 1971. That makes me 16 years old. I started attending Delmar on November 11th, after being switched from another family in Annapolis. I am now staying with William and Diane Dean and their neices Lisa and Tracy. About my hobbies, I used to play tennis, and I am now attempting to play basketball.

My reasons for becoming an exchange student are to learn the language, to know different cultures of other countries, and to travel.

I'm the daughter of Mr. Manuel Zafra and Mrs. Dolores Fernández de Tejada. My father is a Lt. Colonel in the Spanish army and my mother is an attorney at law. I have two brothers, one which is 19 and who is coming to the U.S.A. to get his Masters Degree in Economics, and the other brother, Carlos Zafra, who is only 3 years old.

School here is really different. In Spain, each student is assigned to a classroom for the whole year. The teachers instead of the students move from one period to the other. There are several fields that I'm interested in for the future, which are law, politics, engineering, economics, but I'm not very sure.

Well, I'm glad to be here, and I hope to have a good year with my great family and all the people in Delmar.

Our Turn To Remember

It seems our life was spent here,
Growing with our friends.
Experiencing the good and bad,
We thought it'd never end.

We've shared so much laughter,
And cried so many tears.
We've shared our hopes and dreams,
Throughout these golden years

We've watched the classes before us,
Walk down that long aisle,
Anxiously receive their diplomas,
And leave here with a smile.

Well, now our turn has come,
We must go our separate ways,
Learn to make it on our own,
And travel through life's maze.

Will all the memories linger on,
As we part from DHS?
Will we always remember these great times?
The answer is "Definitely Yes!"

Wipe-Out The Eagles

Homecoming 1987

"Mischief Night" as everyone may refer to October 30, was the night of Delmar High School's 27th annual Homecoming celebration of 1987.

The festivities of this event started out with the traditional bonfire held the evening prior to the game, and the winning float in the Homecoming parade was titled "Wipe-Out the Eagles",

completed by the class of '89 juniors. Crowning Delmar's '87 Homecoming Queen, Stephanie Ritter, escorted by Bradley Lemon, was the moment all had been waiting for. It was a night to be remembered.

Despite Delmar's record, the football team always kept their chin up, going into each game with confidence. The Delmar squad was lead by this season's new head coach, Mr. Donald Peel. The Wildcat's were defeated 36-12 by the Snow Hill Eagles.

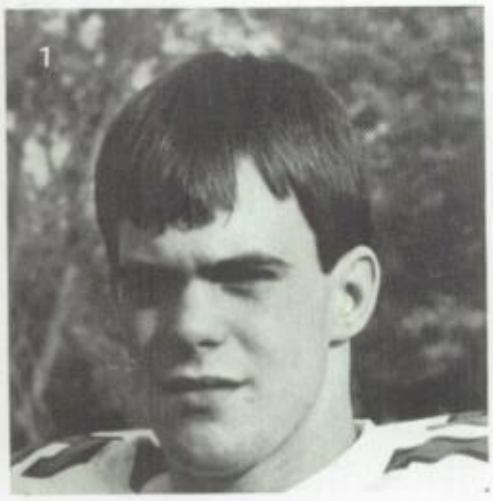
SPORT'S CANDIDS

MACBETH

It's War Out There



Delmar's new head coach, Don Peel, and the Wildcat football team had a less than desirable season. Due to the lack of players turning out for the '87 season, the Cats could not hold a hard practice or even a decent intersquad scrimmage. In the third game against Wilmington Friends, the Wildcats held the respectable Quakers to 16 points and then felt a heartbreaking loss in overtime to the Washington High Jaguars. From then on nothing would click. The discouraging 0-10 record proves that the coming seasons can only get better.

A Season To Remember

The 1987 Field Hockey Team had a successful season ending 4-7-1. Although the lady cats did not reach a .500 record, they definitely showed potential. Out of 12 games the ladycats were scoreless in only 3.

Along with potential, interest is also a growing factor for the hockey team as they carried a combined roster of 40 girls. Participation in hockey camps and summer leagues will enable the team to continue their success. Good luck to the 1988 Seniors - Karla Mitchell, Debbie Vickers, Stephanie Ritter, Joanne Parris, Kim Powell, Marilyn Lynch, Shelley Cropper, and Nancy Fitzgerald.

Bennett, and Woodbridge." At the season's close, senior Rodney Brown, placed second in the Henlopen Conference at 140 and freshmen Kenny Weber placed fourth at 103 lbs.

Delmar's Custis makes his points

Custis Nets 1,000th As Wildcats Nip Dover

On the night of December 8, 1968 in Seaford, Delaware, Mrs. Opal Custis gave birth to future Delmar High School basketball star Eugene Custis.

Eugene began his basketball career in New York City at the young age of five in front of his house. When he came to Delmar he began living with his grandmother.

Eugene began his varsity career as a freshman and participated for six years in the recreation league in Delmar. He really became a scorer when he scored 41 points against Laurel in 1987.

In coach Garland Hayward's eyes, Eugene was very beneficial and instrumental to the program. He said Eugene has always been a high scorer but he became more of a complete ballplayer in 1988. Eugene is capable of playing Division one or two basketball anywhere.

All the work Eugene put toward his basketball career finally paid off in 1988. He scored his 1,000th point against Dover. He won the most valuable player award for the Wildcats. He was ranked one of the top 15 players of the state of Delaware and was honorable mention in the U.S.A. Today paper, which is nation wide. Eugene was also named first team and he made first team Southern Division.

His fondest memory is going to the Delaware Field House playing against Howard Career Center for the state championship in 1985.

Eugene plans to go on to a junior college and to continue his basketball career.

We wish the best to Eugene in Basketball and the rest of his life.

Starting out the softball season of "88" the players decided to dedicate it to their long time coach, teacher and friend Mr. Ron Dallam. He always brought the best out of all the girls and since Mr. Dallam could not be at practice to instruct the team, Mr. Greg Wood took over his responsebilities.

This years team was young but still proved to be very prosperous. Playing a schedule of 15 season games, the lady wildcats ended with a record of 12-3. Having such a winning season guaranteed them a berth in the state tournament. Their 1st game was hosted by Delmar and won by a score of 7-0. Then next came concord, a team which Delmar had previously lost to 8-0. Although the girls played well they fell to Concord 7-0.

Even though this was a sad defeat, Coaches Dallam & Wood commended the girls on a winning season.

To honor coach Dallam he was named 1988 Henlopen Conference coach of the year.

The 1988 varsity baseball season proved to be a season of improvement. Openining the season againist Nandua, Virginia and holding them to a 6-6 tie and then defeating Arcadia, Virginia 11-3 gave the Wildcats a good start. The Cats then fell into a slump loosing the next five games. Delmar then turned things around by defeating the Seaford Blue Jays and really started to improve. Junior ace, Brian Workman pitched well for the squad earning a first team all conference-south division spot. Delmar put four more players on the all conference team: Kevin Willin, first-team outfielder; B.J. Dryden, first-team catcher; Brian Schafer first-team designated hitter; and Carl Valentin, Honorable mention shortstop.

Student Council

Concluding a successful year, the DHS Student Council was headed by senior president Marilyn Lynch, vice-president Lee Williamson, secretary Joanne Parris, and treasurer Christy Wilson.

The Student Council has attended several school board meetings in an attempt to strengthen the bond between the student body and the school board.

Having sponsored several dances, the Council conducted a successful Christmas Semi-Formal Dance on December 19, 1987 for grades 7-12 which will hopefully become a tradition.

The money raised by the Student Council this past year will be donated in the form of a scholarship to a deserving senior.

Delmar's chapter of "Students Against Drinking and Driving", advised by Mr. Gallis, was very active during the 1987-88 school year. The officers; President Stephanie Ritter, Vice-President Carl Valentin, Secretary Cathi Campbell, and Treasurer Lori Nichols, were kept busy organizing projects to make students aware of the consequences of drinking and driving.

Delmar's SADD participated in "Students' DUI Awareness Day" by conducting a "lottery" which involved students throughout the school. The project was very successful in making DHS aware of the fatalities that occur every 23 minutes. Other projects included assemblies which involved the special appearance of Invasion, who were a great success!

The class of 1988 has been blessed with three beauty pageant contestants, all of whom were winners.

April Meilhammer was crowned the 1988 Mar-del Watermelon Queen on March 12. Competition consisted of an interview, swimsuit, cocktail dress and evening gown. She received $500 in cash prizes and an all-expense paid trip to the National Pageant in New Orleans, Louisiana.

Stephanie Beth Ritter became the 1988 Delaware Homecoming Queen on May 22. The pageant consisted of Homecoming Queens from schools throughout Delaware. Judging was based on poise, personality, interview, and evening gowns. Stephanie won an all-expensed paid trip to the national "American Homecoming Queen" Pageant in Honolulu, Hawaii on July 20-26.

The third senior to win was Sherrie Twilley, Miss Maryland Teen USA 1988. Areas of competition included personality, poise, bathing suit, and evening gowns. She won $1,000 savings bond, and various prizes. Sherrie will compete for Miss Teen USA in San Bernardo, California, which will be televised on July 25, 1988.

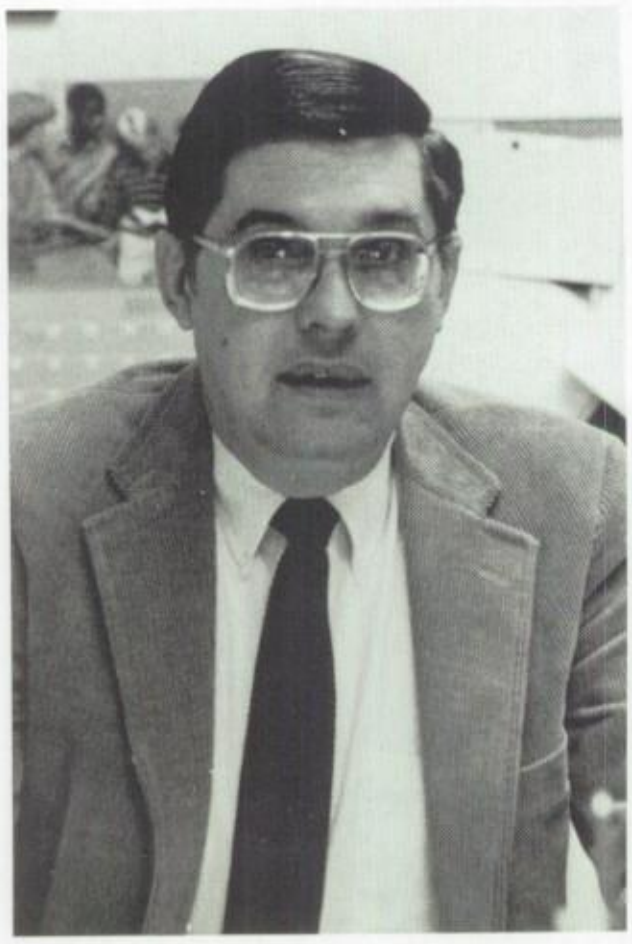
Dr. Wayne Bastian, school superintendent, received his major in math and minor in physics. Working at Delmar High School since September of 1962, Dr. Bastian has been active with the school. Outside of the school he has been involved in other various organizations including the secondary school Athletic Association, Chairman State Drug Education Advisory Committee, Chairman of Sussex Chief School Officers Association, Treasurer of the Delmar Public Library, Board of Directors, Chairman of Professional Rights and Responsibilities.

Attending several colleges Mr. Kenneth Mathews received his double major in political science and history and his minor in education. Mr. Mathews has worked at Delmar High School 27 years, as a teacher for 9 years and administrator for 17 years. He is very active in several organizations, the Delaware Association of School Administrators, Chairman of the Constitution Review Committee, Charter Member of Planning Committee of the Governor's School of Excellence.



Principal
Richard W. Stahl

Asst. Principal

Principal - Mr. Richard Stahl

A graduate of Allentown High School and Bethany Nazarine College, Mr. Richard Stahl became Delmar High School's principal in 1979. Mr. Stahl lived fourteen years on a Navajo reservation in New Mexico. There he served as the elementary school principal for three years and as the assistant principal for the jr. high. He also served as the assistant super-intendant on an Indian reservation in Gandelo, Arizona.

Vice-Principal - Mr. Jay Green

DHS vice-principal, Jay Green, is a 1967 alumnus of Delmar High School. Actively involved in the school system, Mr. Green started out as a math teacher. Athletics has been very important in Mr. Green's career. He has served as a coach for football, baseball, and softball, as well as being the athletic director. More recently, Mr. Green was appointed the vice-principal position.

Delmar High School would not be the same without Mr. Howard Culver, our hard-working and dependable guidance counselor.

Mr. Culver graduated from Shepherd College and later received his masters at Salisbury State College. He has devoted much of his time to helping DHS as a member of the football coaching staff, athletic director and teacher; just to name a few of his activities. Mr. Culver currently resides in Delmar with his wife and two daughters.

Mr. Culver takes care of grades 10 - 12 while Ms. Clayton "guides" the younger grades.

We commend Mr. Culver and Ms. Clayton's hardwork and patience with the Senior class!

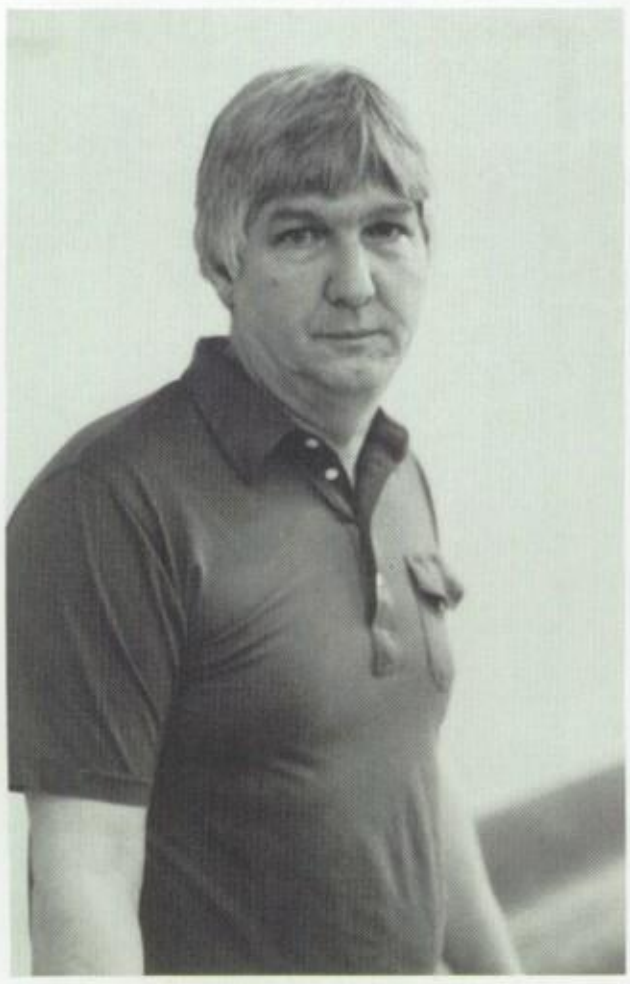
Secretaries

DHS is privileged to have several outstanding, remarkable secretaries in their staff. Mrs. Nancy Harris joined the staff in January 1956 as an administration secretary. Mrs. Joyce Briggs, who serves as a receptionist/secretary cam aboard in 1974. Serving as a federal projects secretary, Mrs. Pat Naugle became employed at DHS in 1976. Mrs. Beth Phillips and Mrs. Sue Weber came to DHS in 1980. Mrs. Weber is a part-time secretary and part-time teacher assistant. Mrs. Phillips is a secretary.

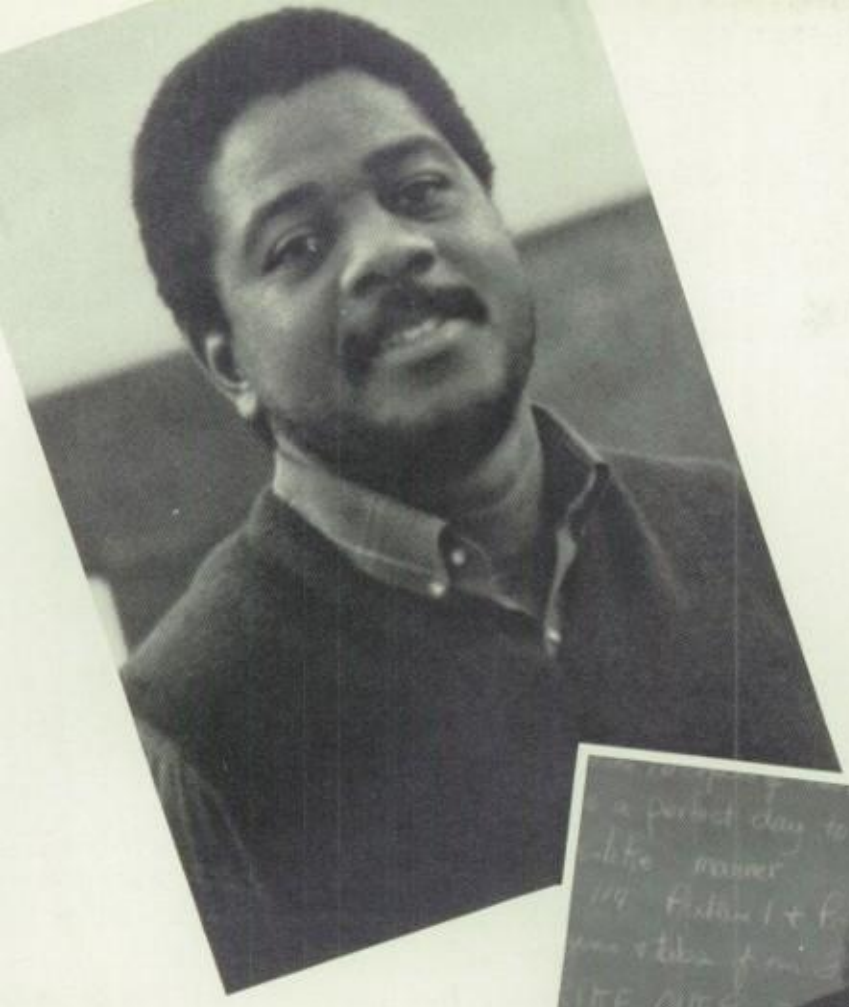
Encouraging the students of DHS to read, Mrs. Pat Throckmorton serves as Delmar High's librarian. Mrs. Throckmorton has several duties such as video taping for teachers, helping students find books, and research materials, as well as keeping the books in top condition and on the shelves for the student's access.

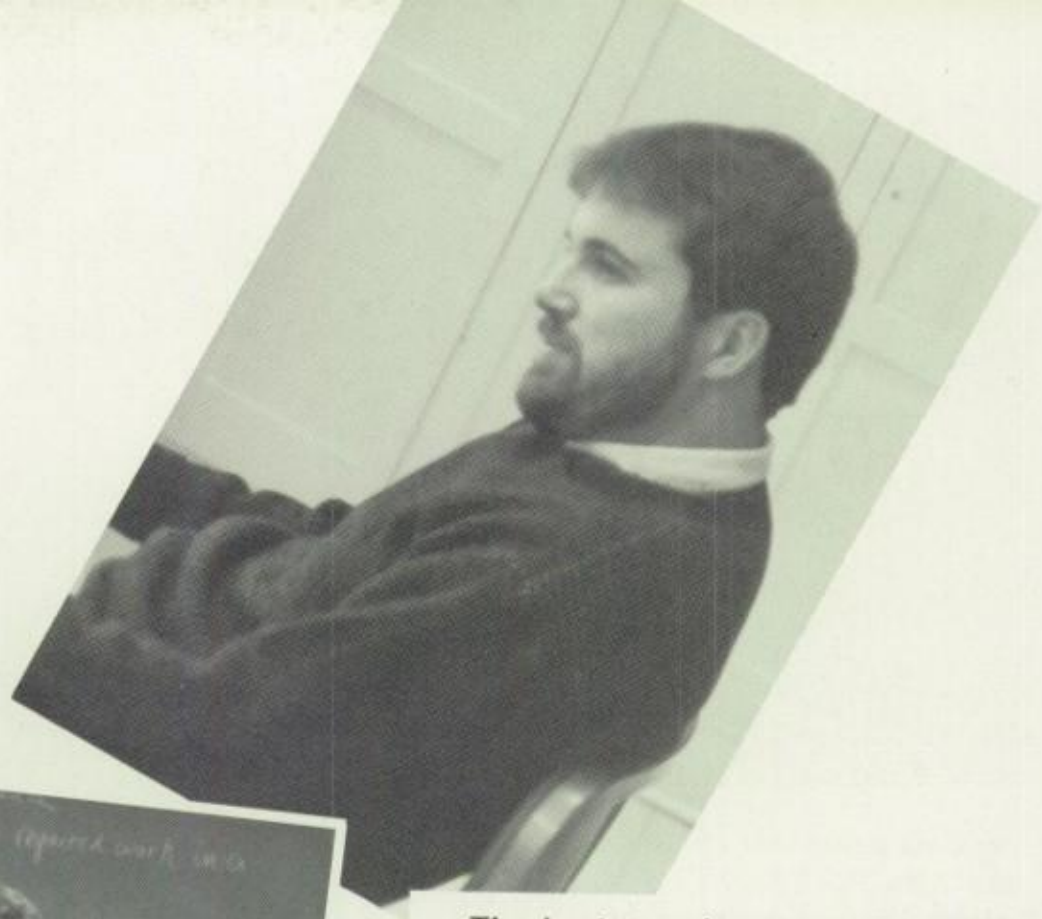
Miss Renee Hunter is one of the most popular of the teachers here at DHS. This bubbly teacher instructs classes such as home economics and parenting as well as being the advisor of the Future Homemakers of America. Mrs. Hunter is also responsible for most of the cooking for many banquets that are held for groups such as the alumni of DHS. All here at DHS appreciate her efforts and hope she will never change.

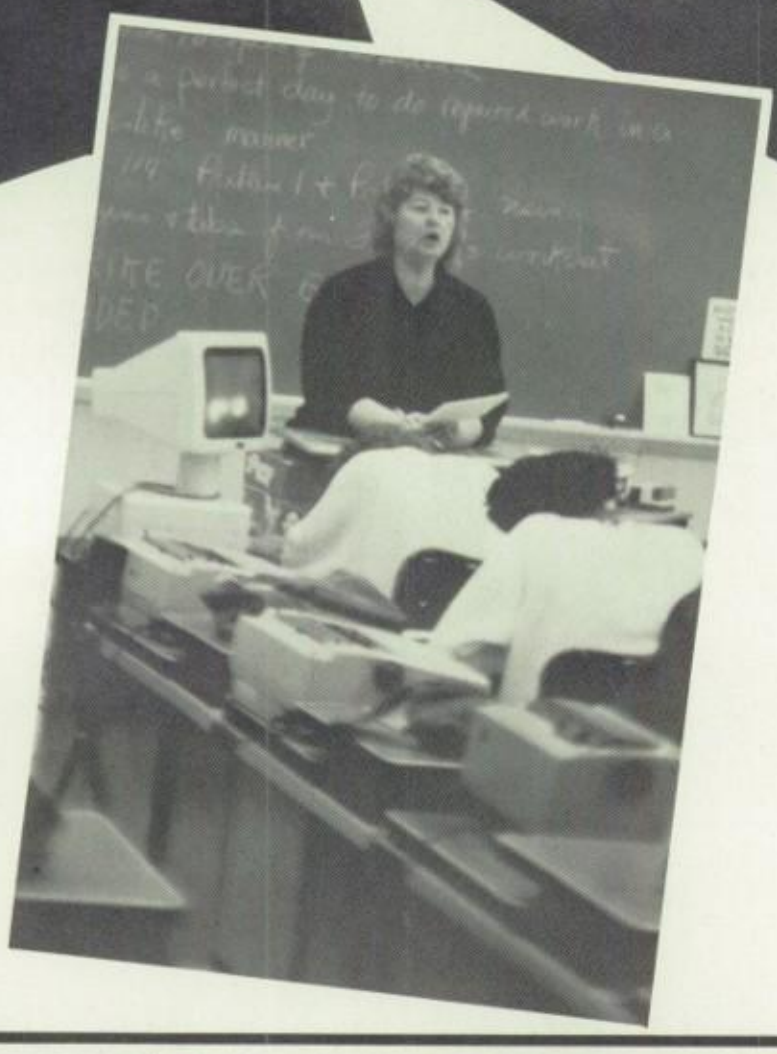
"Hello, This is Mrs. Janet Holloway, the school nurse at Delmar High School." These are the famous words of our very own school nurse. Mrs. Holloway has been a very important member of the DHS staff for 10 years. She attended MacQueen Gibbs Willis School of Nursing in Easton, MD. On an average day she is visited by 75 different students. As one can see, Mrs. Holloway is dedicated to DHS. What would we do without her?!



The Physical Education department of DHS is lucky to have two great teachers. Their names are Mel Householder and Nancy Schlicker and they teach "gym" to all grades. Thanks to these two atheletic persons, the DHS community learn to play games and learn how to get in shape. Their services are greatly appreciated by all.

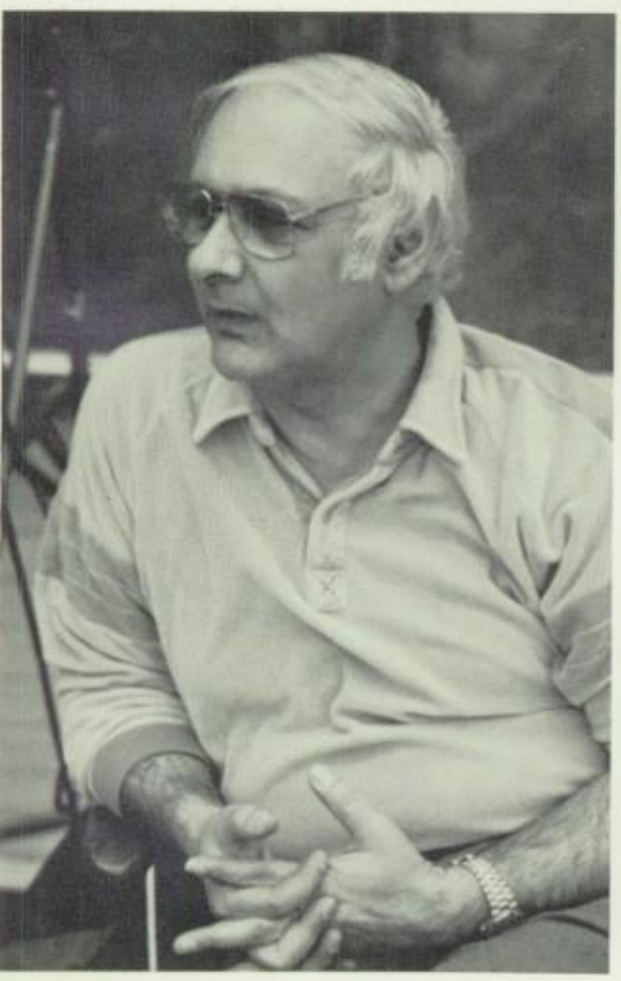




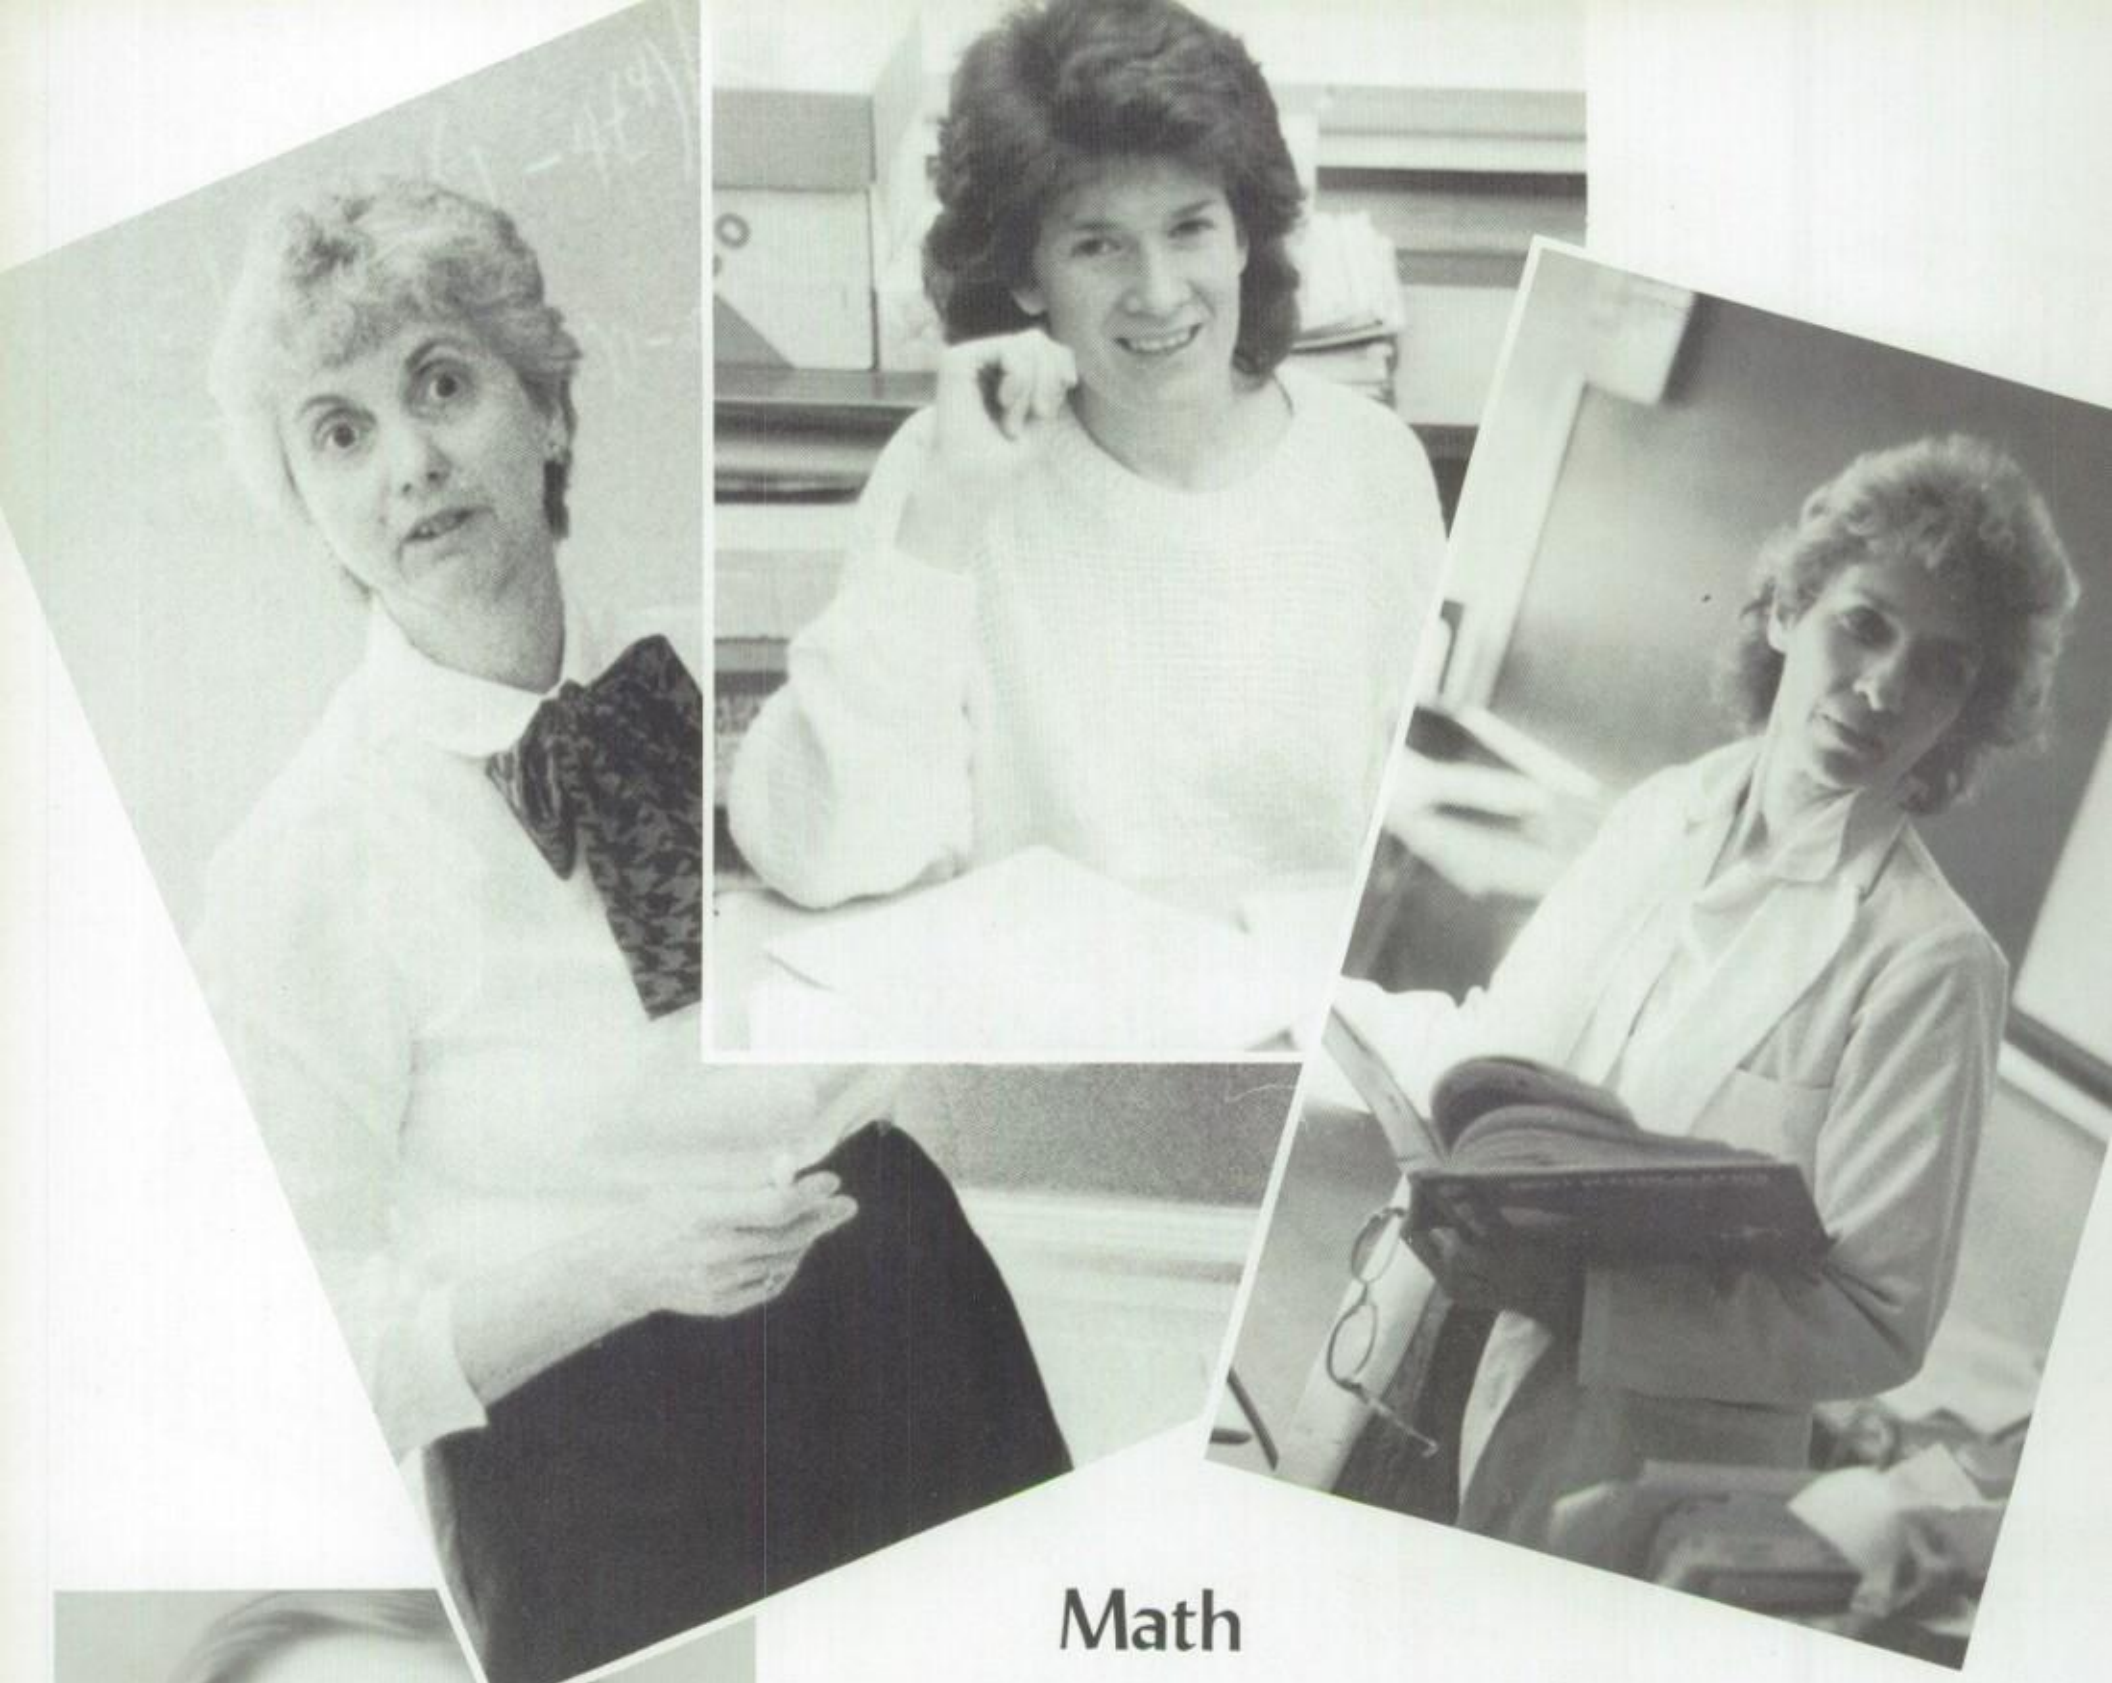


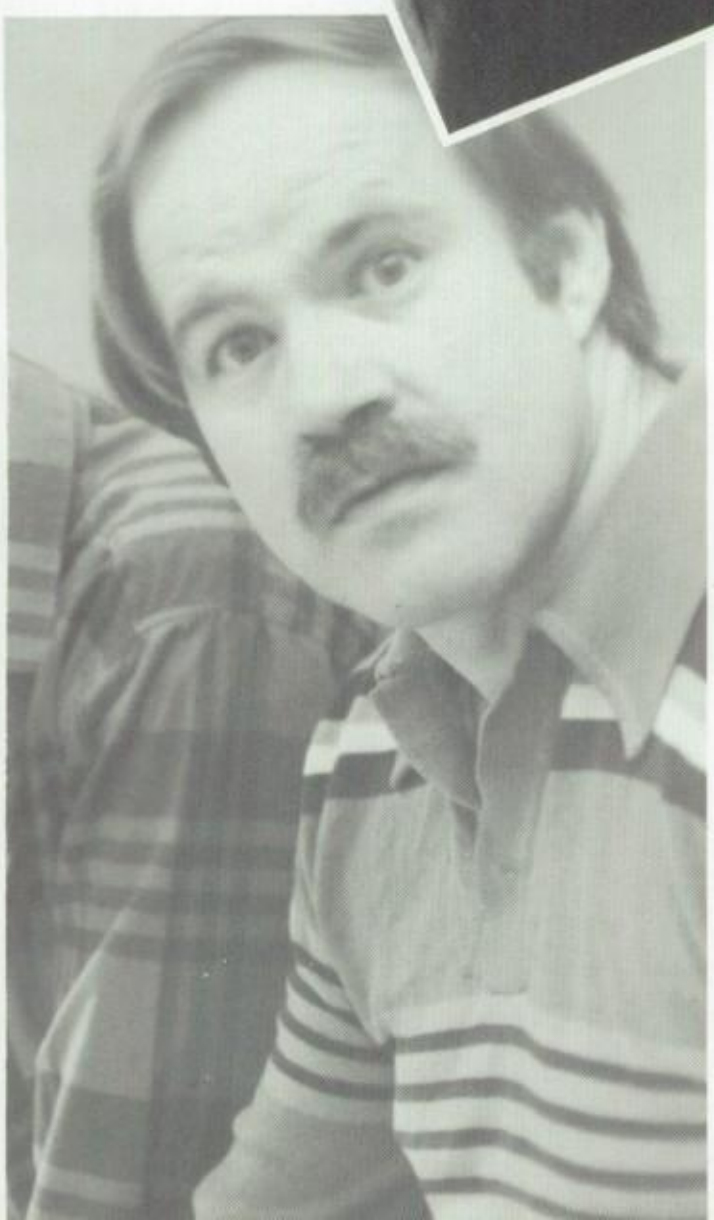
The business department at DHS is lucky to have three very qualified teachers. Headed by Mrs. Wanda McCants, this department consists of Mr. Stan Johnson and Mr. Ike Humphrey. Their classes consist of classes including typing, accounting, and shorthand. Their skills and efforts are a great asset to DHS.

* Mrs. Wanda McCants was also named Delmar's Teacher of the Year for 1987. We would like to congradulate her for this honor.



Teaching music to the 7th and 8th grades, and leading the Wildcat band, Mrs. Barbara Baione and Mr. James Baione are a perfect team. Besides being happily married with a son, Joe Baione, they have managed to put together a successful band for approximately 15 years. Hopefully, they will stick around and lead the Wildcat band to many more years of successful entertainment.





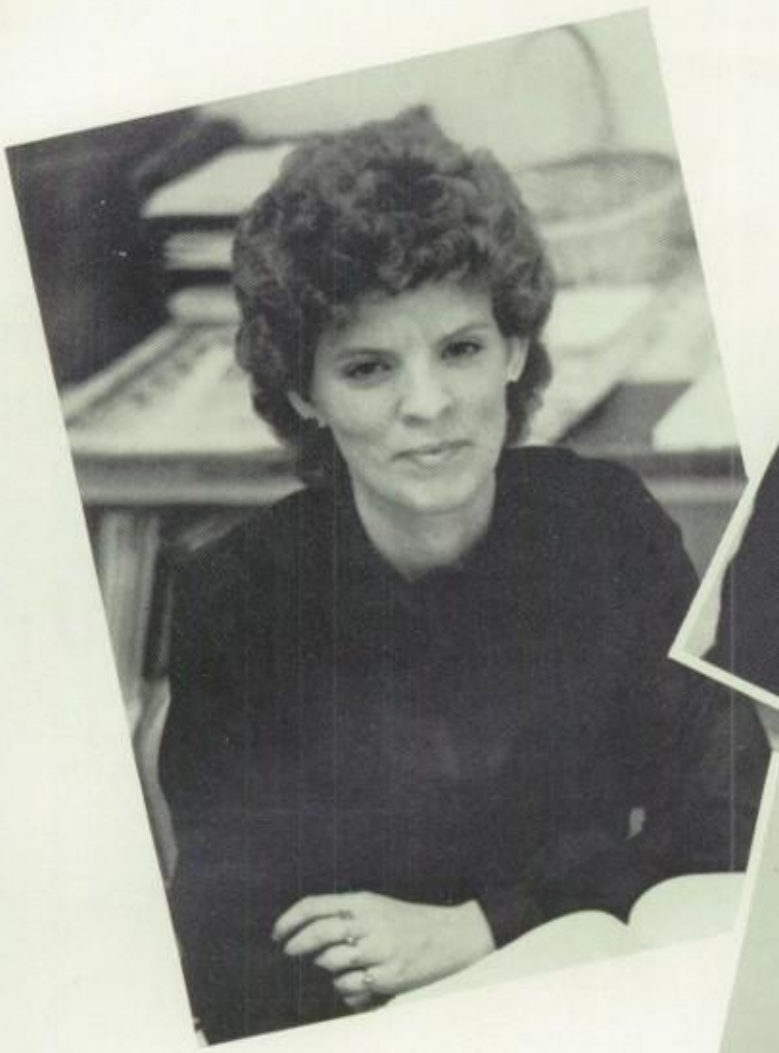
Math

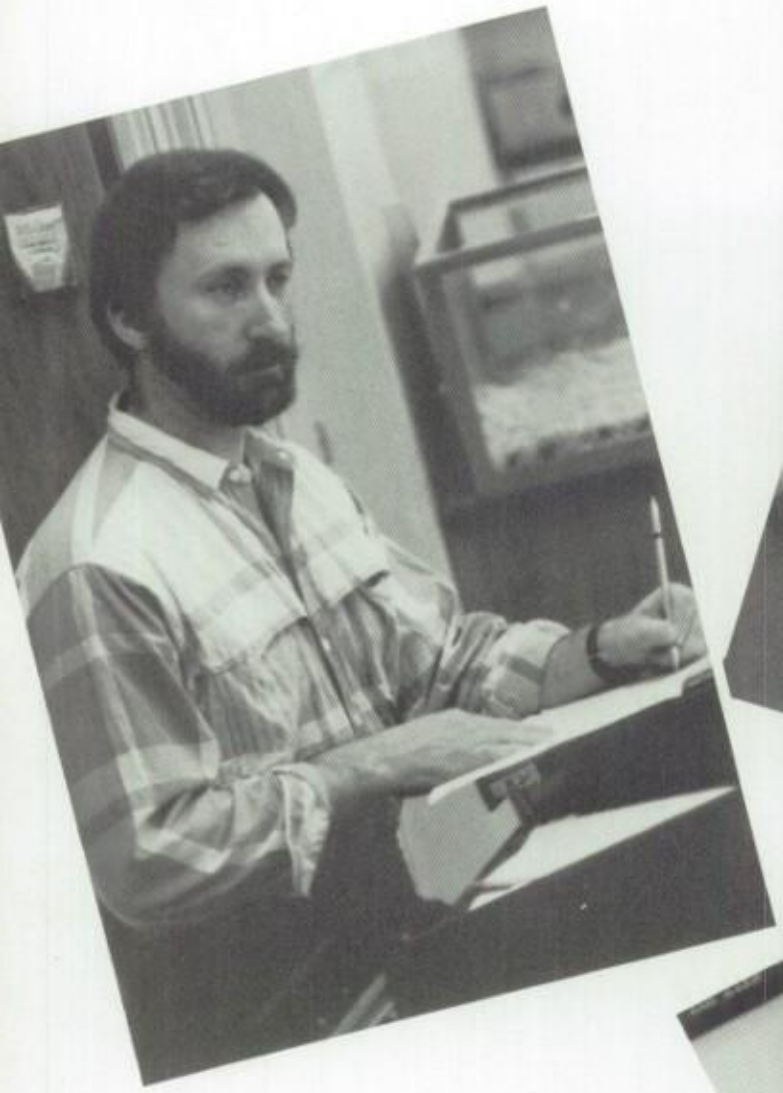
Geometry, analytical geometry, calculus, basic programming, advanced programming, and test taking classess fill the busy schedule of math teacher, Mr. Donald Christman. Mrs. Nancy Curry teaches Algebra I, Algebra II, Trigonometry Algebra III. Mrs. Jane Phillips teaches Math 7, pre- algebra, computer literacy, and computer programming. Last, but not least, Math II, Math VIII, and pre-algebra taught by Mrs. Angela Ferner.

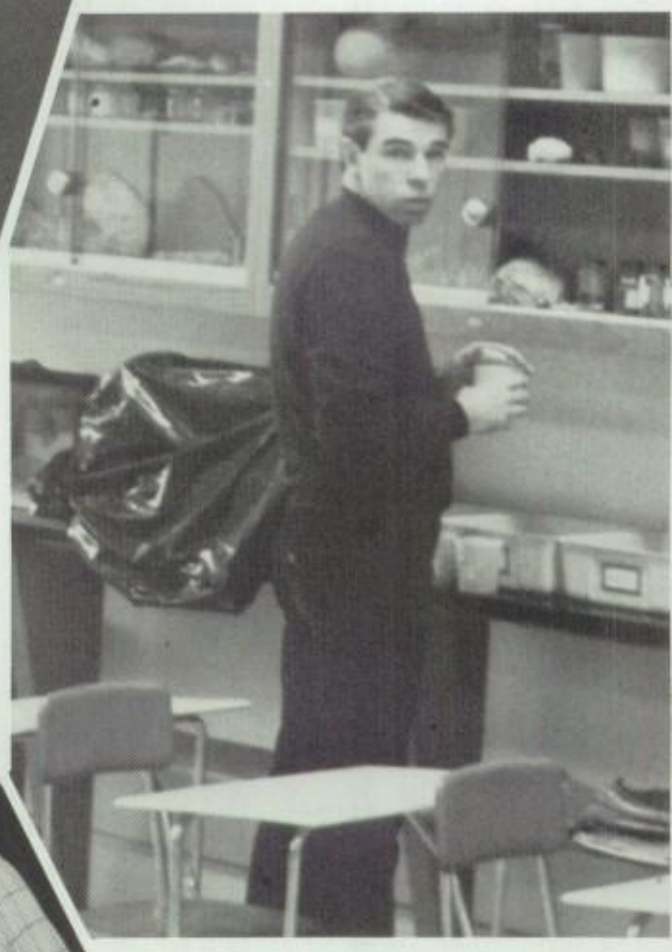
Language Arts

The DHS Language Arts department is composed of several talented teachers and caring individuals who posess the sole goal of helping students grow and mature in the subjects of English, Speech, and reading.

Mr. C. Victor Pusey teaches the challenging senior English class and Journalism I and Journalism II. He is the advisor for the school newspaper The Wildcat Press. Mrs. Carol Nesbitt teaches freshmen and junior English. Mr. Greg Wood teaches sophomore English and Speech. Mrs. Gray teaches grade eight English. Mrs. Speicher teaches seventh and freshman English. Mrs. Joanne Willey teaches all language classes including French I, II, III, IV and Spanish I, II, III, IV. Mrs. Ruth Ellis focuses her teaching talents on reading , while Mrs. Jean Martin teaches reading test taking.







Science Dept.

Coordinate and overseer of the Science Department, Mrs. Wood leads off the team of science teachers at DHS teaching Biology and Advanced Biology. She is assisted by Mr. Gallis (7th grade Life Science), Mr. Hayward (7th grade Life Science), Mr. Backora (7th grade Life Science, 8th grade Earth Science, 9th grade Physical Science), Mr. Budd (8th grade Earth science, 9th grade Physical Science), and Mr. Ellis (Physics, Chemistry I and Chemistry II).

As coordinator Mrs. Wood accepts various important responsibilities. She makes sure the curriculum of students in grades 7-12 meets the Science Dept. standards and that they go smoothly. She also coaches the junior and senior high Science Olympians with the assistance of all the members of the Department who help in the efforts of giving Delmar High School an identity in Science in the state of Delaware. This summer Mrs. Wood plans to send out a questionaire to college students to help prepare those underclassmen in Science before graduating at DHS.

Social Studies Dept.

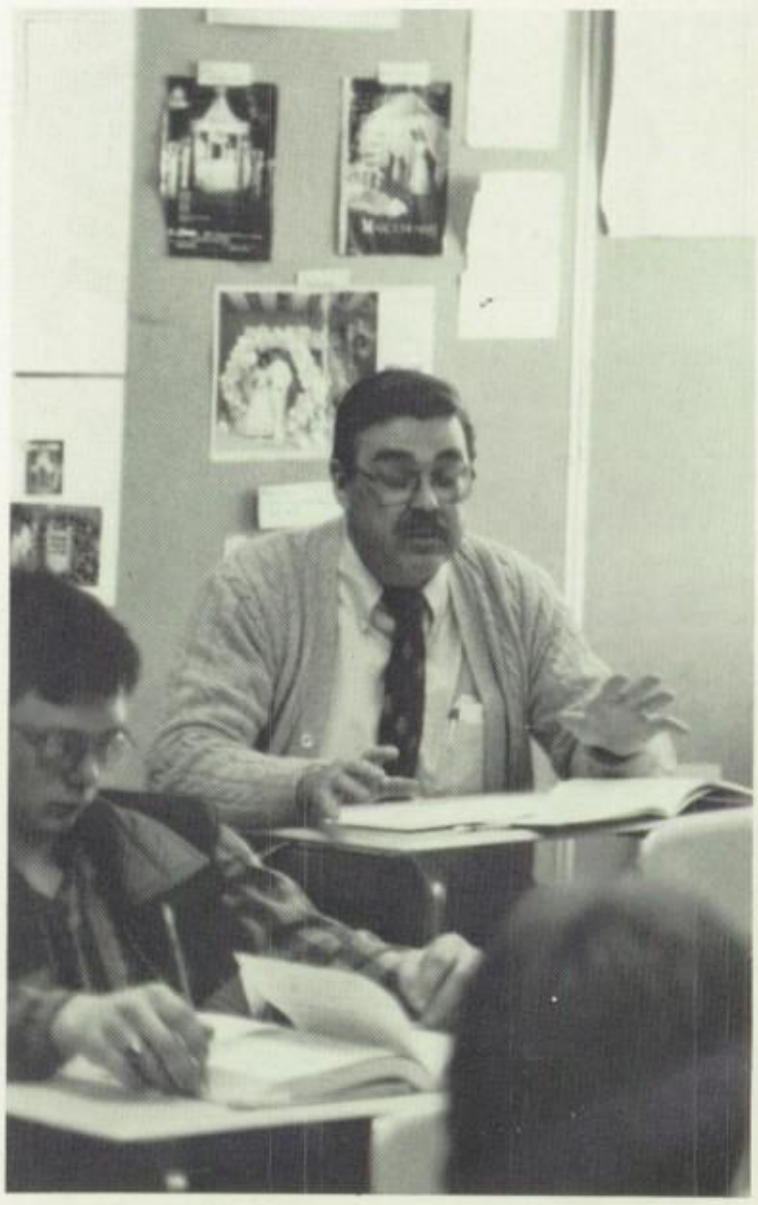
Talented, intelligent, and eagar to teach are just a few adjectives to describe the DHS Social Studies department teachers.

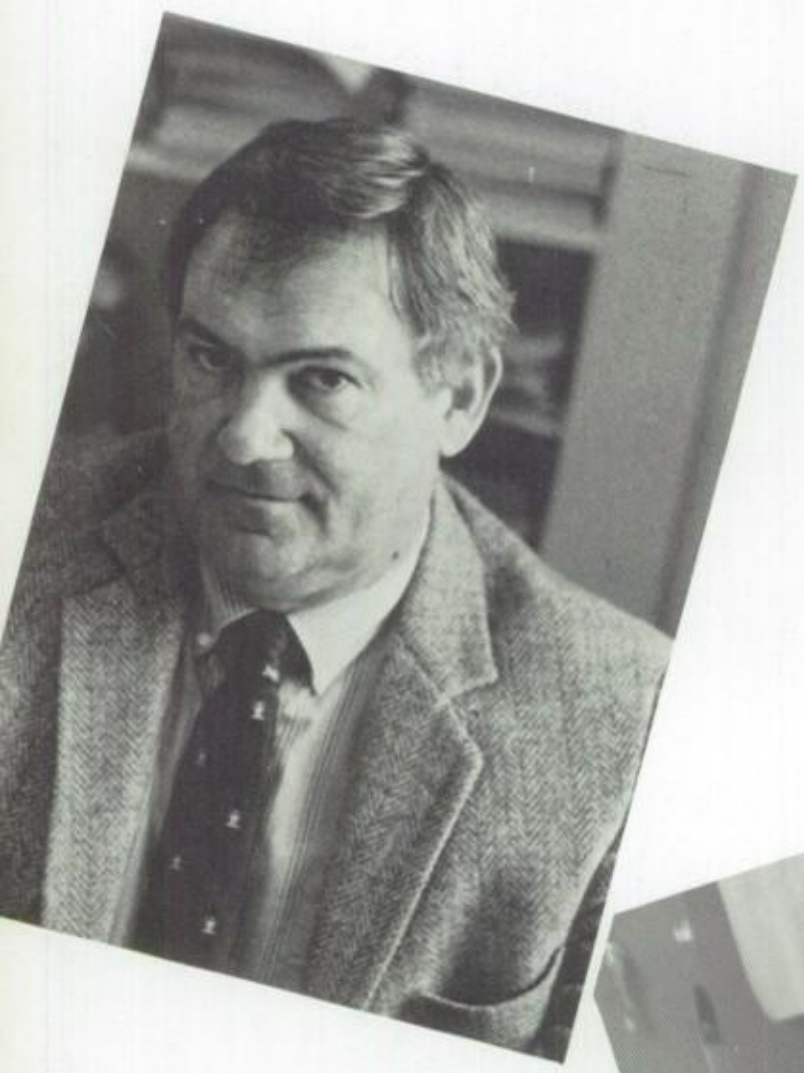
A new face to DHS, Mr. Richard Fulton, teaches eight grade U.S. History, freshman civics, and sophomore World History.

Mr. William Fowler, last year's Teacher-of-the-Year, teaches geography to grade seven, psychology, sociology, and senior economics.

Current events is the topic of discussion in Mr. Ron Dallam's senior social studies, P.O.D. class. He also teaches sophomore World History.

Heading the Social Studies Department is Mr. David Burton, who brings life to his junior American History class and his senior civil prepardness and American Government classes.





Special Ed

Consisting of Kathy Rayne, Daphne Hefflin, Pam Grosz, Loneda Jones, and Peter Yanker, the special education department of D.H.S. is responsible for a wide range of subjects. Such subjects include English, math, physical education, world history, and civics.

All these teachers enjoy their positions here at Delmar, and they are a great asset to our community.

Teaching Delmar's ACE program since 1980, Mrs. Regina Royer is a great asset to Delmar High School. Mrs. Royer earned her B.A. at Western Maryland College then furthering her education at Salisbury State where she earned her Master's degree.

At Delmar Mrs. Royer teaches grades 7, 8, and 9 on Mondays, Wednesdays, and Fridays in the Amplified Curriculum Excellence program for gifted students. On Tuesdays and Thursdays, she teaches an academic program at Del Tech in Georgetown, DE. In the past, Mrs. Royer also taught a gifted and talented program at Wicomico Senior High for 2 years.

Ann Davis

Mrs. Ann Davis, the biology student teacher, a former graduate of Parkside High School, attended the University of Maryland and graduated with her B.S. in 1985. She is now attending Salisbury State College to obtain certification as a biology teacher. Her interest in human anatomy and living things and her love for teens help her in deciding on a career. She has enjoyed working with students of D.H.S. and would be pleased to get a job here after graduation.

Chris Nemith

Chris Nemith, a Salisbury State senior from Dover, Delaware who plays football and is assistant coach for SSC. Chris likes working with young individuals and thinks student teaching at DHS is challenging. Some of his hobbies include biking, running, and body building/weight training. The students and staff at Delmar wishes him good luck in the new feild.

Judy Johnson

Miss Judy Johnson, who graduated from DHS in 1984, had the opportunity to return and be a student teacher. She is attending Salisbury State College and planning to graduate in May 1988. Miss Johnson is majoring in Mathematics Secondary Education. She hopes to teach Jr. or Sr. high school math, which ranges from general math to calculus. As a student teacher at DHS, she has taught two geometry classes, two Algebra I classes, and a calculus class. Miss Johnson loves to teach and says she was influenced by her past high school teachers Ms. Betty Culver, Mr. Burton, and Mr. Pusey. This summer she plans to start working on her Masters in Education which will take two years. Miss Johnson will be leaving us soon and we wish here the best of luck with her promising future.

Laurie Sanders

Miss Laurie Saunders, a student teacher for Mr. Fowler, will graduate from Salisbury State in May. She is originally from Laurel, Delaware and thinks teaching here at DHS is great. Her hobbies include sewing and cooking. Miss Saunders is presently teaching geography, and everyone wishes Miss Saunders much luck and happiness in her future teaching years.

Susan Keats

Susan Keats, a senior at Salisbury State College, is getting hands-on experience by student teaching in Mr. Wood's class. She originally from Delton, Maryland and says she became a teacher because she likes this particular age group and feels that when she was in school, teachers were not involved. She hopes that by being a teacher she can become more involved with the teenagers of today. Her hobbies include reading and windsurfing and she is engaged to be married in June. The students and staff at Delmar want to wish Miss Keats the best of luck with everything in her lifetime.

Beverly Welsh

Miss Beverly Welsh, a twenty two year old from Carrol County, Maryland enjoys attending Salisbury State University where she is a senior. Beggining as a business major, Miss Welsh now is studying social sciences, concentrating on education. In her spare time, she enjoys volleyball, reading and dancing. Her future plans include returning to the Western Shore to begin her teaching career.

Miss Welsh enjoyed her stay at Delmar commenting, "the students are very friendly and Mr. Burton was great to work with." Best of luck to Miss Welsh in future!

"A Dream Come True"

A fairy-tale land was the setting of the Delmar High Jr.-Sr. Prom 1988. Held in the Hugh A. Kelley gymnasium on Saturday May 7, 1988, silver, blue, and white streamers and ballons adorned the ceiling, walls, and floor. A castle, a carriage, a bridge, a carousel, and a ferris wheel transformed the usually dull gym into a beautiful fantasy land.

Approximately ninety couples were in attendance at the prom which began at nine o'clock until midnight. The grand march, which featured all of the couples, was held in the auditorium with the background music to "Fairy-Tale Lovers." Swan gates adorned with flowers highlighted the stage.

Among the many attractive couples, seniors Jason Kennedy and Cathi Campbell were named king and queen, and juniors Mike Beck and Jenny Lutes were crowned prince and princess.

The evening would not have been complete without professional pictures taken by Max Ward, and music provided by 100 KHI.

Several students agree that prom ight was magical, and it definitely was "A Dream Come True."

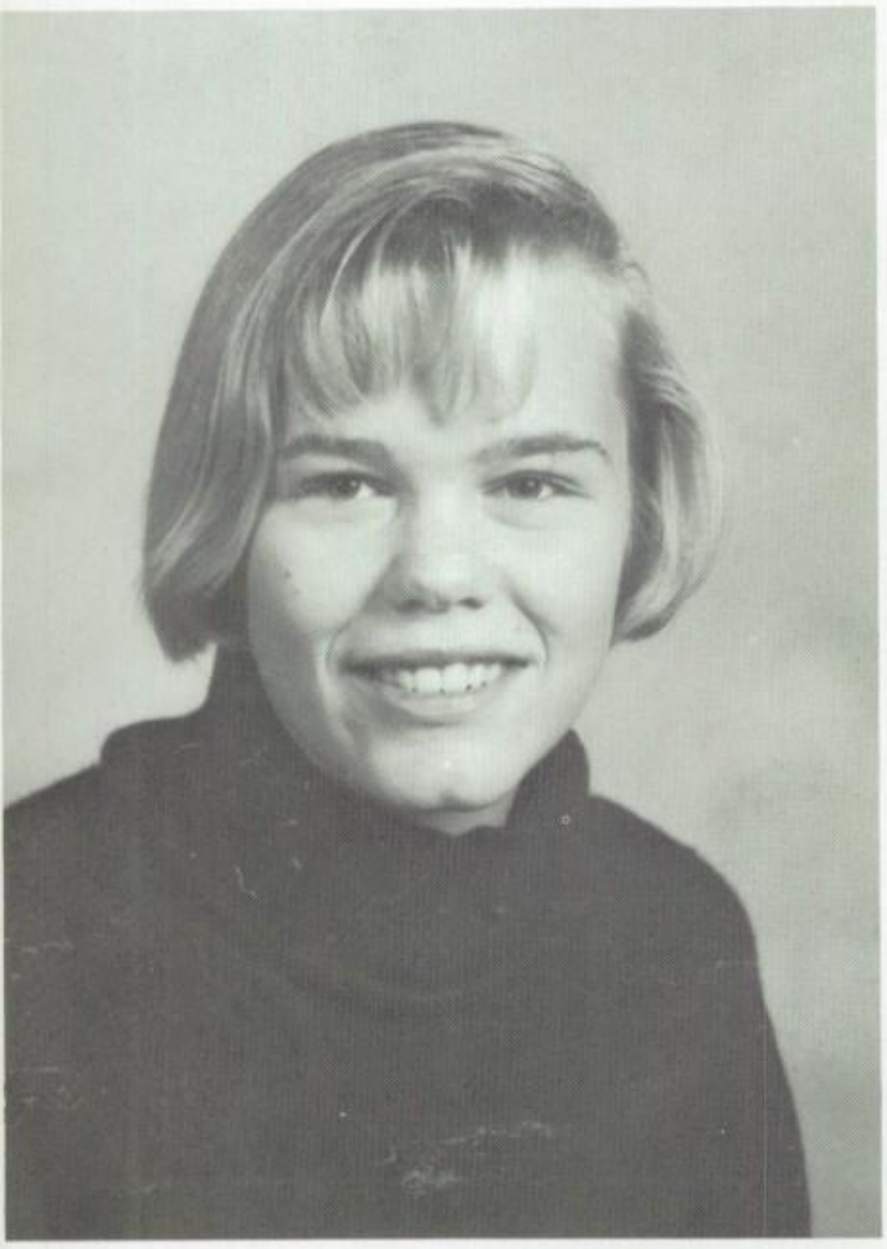
In Memory



Mike Chesser
October 15, 1974-October 19, 1987

A pleasant person in all our minds, "Mike" will always be remembered by all as an enthusiastic fan of sports, with a mind of immeasurable determination. You could say he lived his life to the fullest, enjoying the company of others greatly. His youthfulness was a pleasure, and his love for people was evident in his outgoing manner and quick smile. We loved Mike and his memories will remain in our hearts forever.

Christine A. Dunn
June 7, 1971 Oct. 22, 1987

Christine A. Dunn, known as "Christy" to all her friends and classmates, was an outstanding individual who walked to the beat of her own drum. Her great personality and cheerful outlook won her many friends wherever she went. Christy's close friends got to know a side of her which was both unique and special. This included skateboarding, horses, hardcore music, and her sticker-covered car. Even though her time with us has ended, Christy left us with many fond memories and wonderful times which we will always cherish in our hearts and in our minds.
